

# Science, Philosophy and Theology Book Grant Application

Science, Philosophy and Theology in Latin America  
Ian Ramsey Centre (IRC) for Science and Religion  
University of Oxford

## Application form

---

---

Please fill in this form to apply for grants of **US\$6,000** to purchase an interdisciplinary collection of books at the intersection of science, philosophy, and theology.

Fill in this form and submit it, together with the signed and dated support letters before **15 December 2016**, via e-mail to: [latin.america@theology.ox.ac.uk](mailto:latin.america@theology.ox.ac.uk), stating in the subject line: "Science, Philosophy and Theology Book Grant Application".

You should also submit the list of books you would like to purchase using the template available on the website. Your list should follow, but not be restricted to, the list prepared by the IRC, also available on the website.

These awards are funded by a grant from the John Templeton Foundation.

# Application Justification

---

## Justification Statement

*The justification statement should highlight the strategic opportunity you intend to address by acquiring the collection of books you propose. It should also mention how the faculties, centres or institutes mentioned above will benefit from the collection.*

*Finally, the statement should explain how your application meet the selection criteria expressed in the call for applications.*

*Limit your response to 4000 characters.*

**Relation to the  
IRC Project**

*Please describe  
how the collection  
of books you intend  
to purchase relates  
to the IRC project.*

*Limit your  
response to 1000  
characters.*

---

**Longer term plans**

*Please tell us the  
potential for  
longer-term plans  
for institutional  
development. How  
will this grant  
benefit your  
institution in the  
longer term?*

*Limit your  
response to 1000  
characters.*
